St Basils

SCH Housing Options

A **Full Housing Assessment** will be completed to determine:

- The circumstances causing homelessness or threat of homelessness
- The applicant's housing need
- Whether any support is required

A **Personal Housing Plan** will be completed to identify appropriate actions to prevent or relieve the applicant's homelessness

Any welfare concerns to be reported to police and GP

Consideration of a Multi-Agency Meeting to identify:

- Support needs
- Barriers to housing
- Suitable housing

Prevention of homelessness

- Mediation with friends & family
- Financial and legal support
- Negotiation with landlord
- Relevant support to sustain accommodation, inc mental health support & floating tenancy support

Accessing alternative

- Mediation with friends & family
- Supported housing focusing on developing independent living skills
- Social housing through Home Options
- Solihome: Private rented housing

Emergency Accommodation

Supported and self-contained accommodation placements
