Contact us for further information

The Wellbeing Team at Solihull Community Housing can provide and install a range of gadgets.

All gadgets are designed to help you maintain independence and feel safe in your own home. The gadgets can be linked to a 24/7 monitor and responder service which will give you and your loved ones peace of mind knowing help can be called on at any time.

The Wellbeing Team can also carry out a Home Hazard Assessment, where they can provide low level equipment to help reduce risks of falls around your home. Call them today to find out more!
