Are you ready for a career as an **Articulated Dumper Driver?**

With the construction industry booming across the West Midlands, there is no end of employment vacancies for major infrastructure projects. RMF are offering FREE training to eligible residents of the West Midlands Combined Authority, in partnership with employer partner, Winvic. Trainees with a willingness to work, commitment and enthusiasm, will all be guaranteed employment opportunities with Winvic on completion of training.

What qualifications are included?

- Level 1 Health and Safety in a Construction Environment
- CSCS card
- Multiple CPD certificates
- CPCS – A56 Articulated Dump Truck

Please note it would be preferred that candidates hold a Full UK Driving Licence to enable more job opportunity and the ease to get to the plant training facility.
