# in Health & Social Care

## IMPORTANT DETAILS

This five-day virtual programme is designed to help you learn about Health and Social Care and get the chance to speak to employers with live vacancies.

This programme will be focused on looking for young people who are interested in working within a care setting outside of the NHS.

Not only will it boost your confidence and skills, but you will also have the chance to benefit from the support of one of our Prince's Trust executives or one of our mentors to help you uncover your next steps.

- Recognise Skills for working in Health and Social Care
- Learn about Values Based Recruitment.
- Boost your confidence and communication skills
- Taking part will not affect your benefits.
- Receive up to six months support after the programme has finished
- Online/Virtual interviews for live vacancies

Personal Qualities - you need to be:

- Flexible and an adaptable individual
- Good listening and communication skills
- A caring nature (empathy, compassion and resilience)
- Willingness to learn

You need to be aged 18 - 30 and available for work.

Working Routine

- Roles with opportunities for varied Full & Part time working patterns, including shift patterns; evenings & weekends.

Enhanced DBS

- If successful, young people will be asked to complete the appropriate paperwork and must have the correct documentation. We can support any young person who doesn't have the required documents, with sufficient notice.
